Oswaal NTA CUET (UG) 10 Mock Test Papers Mathematics/Applied Math (For 2023 Exam) 2023-02-03 heirs of flesh and paper tells the story of early

modern dynastic politics through subjects practical responses to royal illness failing princely reproduction and heirs premature deaths it treats connected dynastic crises between 1699 and 1716 as illustrative for early modern european political regimes in which the rulers corporeality defined politics this political order grappled with the endemic uncertainties induced by dynastic bodies by following the day to day practices of knowledge making in response to the unpredictability of royal health the book shows how the ruling family s mortal coils regularly threatened to destabilize the institutionalized legal fiction of kingship dynastic politics was not only as a transitory stage of state formation part of elite cooperation or a cultural construct it needs to be approached through everyday practices that put ailing dynastic bodies front and center in a period of intensifying political planning it constituted one of the most important sites for changing the political itself
