The Manner of Men 2013-05-09

in june 1944 an elite unit of british paratroopers was sent on a daring and highly risky behind the lines mission which was deemed vital to the success of d day dropping ahead of the main allied invasion 9 para were tasked with destroying an impregnable german gun battery if they failed thousands of british troops landing on the beaches were expected to die but their mission was flawed and started to go wrong from the moment they jumped from their aircraft above normandy only twenty per cent of the unit made it to the objective and half of them were killed or wounded during the attack undermanned and lacking equipment and ammunition the survivors then held a critical part of the invasion beachhead for six bloody days they defended the breville ridge against vastly superior german forces and bore the brunt of rommel s attempt to turn the left flank of the allied invasion the manner of men is an epic account of courage beyond the limits of human endurance where paratroopers prevailed despite intelligence failures and higher command blunders in what has been described as one of the most remarkable feat of arms of the british army and the parachute regiment during the second world war

The Heroic in Missions 19???

the true story of the u s army s 240th assault helicopter company and a green beret staff sergeant s heroic mission to rescue a special forces team trapped behind enemy lines during the vietnam war from new york times bestselling author eric blehm on may 2 1968 a twelve man special forces team covertly infiltrated a small clearing in the jungles of neutral cambodia where u s forces were forbidden to operate their objective just miles over the vietnam border was to collect evidence that proved the north vietnamese army was using the cambodian sanctuary as a major conduit for supplying troops and materiel to the south via the ho chi minh trail what the team didn t know was that they had infiltrated a section of jungle that concealed a major enemy base soon they found themselves surrounded by hundreds of nva under attack low on ammunition stacking the bodies of the dead as cover in a desperate attempt to survive the onslaught when special forces staff sergeant roy benavidez heard their distress call he jumped aboard the next helicopter bound for the combat zone what followed would become legend in the special operations community flown into the foray of battle by the 240th assault helicopter company benavidez jumped from the hovering aircraft ran nearly 100 yards through withering enemy fire and despite being immediately and severely wounded organized an extraordinary defense and rescue of the special forces team written with extensive access to family members surviving members of the 240th assault helicopter company on the ground eye witness accounts never before published as well as recently discovered archival and declassified military records blehm has created a riveting narrative both of roy benavidez s life and career and of the inspiring almost unbelievable events that defined the brotherhood of the air and ground warriors in an unpopular war halfway around the world legend recounts the courage and commitment of those who fought in vietnam in service of their country and the story of one of the many unsung heroes of the war

vols for 1828 1934 contain the proceedings at large of the american board of commissioners for foreign missions

The Maryknoll Fathers 2012-03-01

apocalyptic millennialism is one of the most powerful strands in evangelical christianity it is not a single belief but across many powerful evangelical groups there is general adhesion to faith in the physical return of jesus in the second coming the affirmation of a rapture heavenward of saved believers a millennium of peace under the rule of jesus and his saints and eventually a final judgement and entry into deep eternity in discovering the end of time 2016 donald harman akenson traced the emergence of the primary packaging of modern apocalyptic millennialism back to southern ireland in the 1820s and 30s in exporting the rapture he documents for the first time how the complex theological construction that has come to dominate modern evangelical thought was enshrouded in an organizational system that made it exportable from the british isles to north america and subsequently around the world a key figure in this process was john nelson darby who was at first a formative influence on evangelical apocalypticism in ireland then the volatile central figure in brethren apocalypticism throughout the british isles and also a crusty but ultimately very successful missionary to the united states and canada akenson emphasizes that as strong a personality as john nelson darby was the real story is that he became a vector for the transmission of a terrifically complex and highly seductive ideological system from the old world to the new so beguiling adaptable and compelling was the new dispensational system that darby injected into north american evangelicalism that it continued to spread logarithmically after his death by the 1920s the system had become the doctrinal template of the fundamentalist branch of north american evangelicalism and the distinguishing characteristic of the bestselling scofield bible

Heroic Deeds on the Mission Field 1908

A Secret Agent, on a Secret Mission 2021-06-07

the internationally distinguished contributors to this landmark volume represent a variety of approaches to the nazi and stalinist regimes these far reaching essays provide the raw materials towards a comparative analysis and offer the means to deepen and extend research in the field the first section highlights similarities and differences in the leadership cults at the heart of the dictatorships the second section moves to the war machines engaged in the titanic clash of the regimes between 1941 and 1945 a final section surveys the shifting interpretations of successor societies as they have faced up to the legacy of the past combined the essays presented here offer unique perspectives on the most violent and inhumane epoch in modern european history

The Police Identity Crisis 2021-03-31

this volume presents a comprehensive multifaceted picture both of the destructive dynamic of the nazi leadership and of the attitudes and behavior of ordinary germans as the persecution of the jews spiraled into total genocide

The Golden Rule 1896

st benedict s rule has been one of the great facts in the history of western europe and its influence and effects are with us to this day this being so it is surely strange that as i believe the rule has never yet been made the object of an historical study setting forth on an extended scale its principles and its working commentaries there are explaining it chapter by chapter but so far as i know there is no systematic exposition of what may be called the philosophy the theory of the benedictine rule and life no explanation of the benedictine spirit and tradition in regard either to its inner life or its outward manifestations the present volume is an effort to supply this want it consists of a connected series of essays covering the most important aspects of benedictine life and activities it is addressed of course primarily to benedictines but it should appeal to wider circles to students of the history of religion and civilisation in western europe as an account of one of the most potent factors in the formation of our modern europe during a long and important phase of its growth and also in a special way to those scholars and students who hold the benedictine name in veneration from the preface

Central Africa 1894

get ready to fly through and read both the super big chin moves to hero land and power man the high flyer in this heroic 2 book pack see the heroic beginnings and missions that the duo experience together whether it is getting used to hero land for the both of them or having their first ever mission together book 1 big chin moves to hero land description you might be wondering to yourself how did power man and big chin get along and meet with each other what family did big chin live with initially before he flew off to hero land a heroic community where superheroes group together in their place and halt the evil actions of their enemies speaking of how and why did it happen big chin will tell you right in this book to fight off the confusion book 2 power man the high flyer description power man and big chin are back in super action when big chin fully gets introduced to the hero land community thanks to power man he starts his very first mission to fight the wrongful actions caused by a baddie which is a mascot for an ice cream parlor or so is it could it be a true baddie or an anti hero that needs some redeeming with helping and teamwork by the heroic duo to give themselves a fresh breath of air and create a total makeover find out in the heroic story created by sawyer ique power man the high flyer a couple of fun and super sketches and book cover sketches and

drafts behind the pages are included as well
