## DE/journal

1974

consists of alternately issued volumes with subtitles fundamentals applications equipment and systems beginning 1990 subtitles change to refrigeration application systems equipment and fundamentals beginning 2005 fundamentals vols issued in two eds inch pound ed and si ed

## Actual Specifying Engineer

1973

indoor air quality iaq is increasingly making front page headlines and the magnitude of the problem is just beginning to surface designed for engineers and architects this reference on iaq includes coverage of the control and assessment of asbestos radon carbon monoxide and other contaminants investigative procedures measurement and monitoring techniques inspection and testing and bacteriological and biological issues

## Factory

1973

the intuitive guide to energy efficiency and building improvements energy audits and improvements for commercial buildings provides a comprehensive guide to delivering deep and measurable energy savings and carbon emission reductions in buildings author ian m shapiro has prepared supervised and reviewed over 1 000 energy audits in all types of commercial facilities and led energy improvement projects for many more in this book he merges real world experience with the latest standards and practices to help energy managers and energy auditors transform energy use in the buildings they serve and indeed to transform their buildings set and reach energy reduction goals carbon reduction goals and sustainability goals dramatically improve efficiency of heating cooling lighting ventilation water and other building systems include the building envelope as a major factor in energy use and improvements use the latest tools for more thorough analysis and reporting while avoiding common mistakes get up to date on current improvements and best practices including management of energy improvements from single buildings to large building portfolios as well as government and utility programs photographs and drawings throughout illustrate essential procedures and improvement opportunities for any professional interested in efficient commercial buildings large and small energy audits and improvements for commercial buildings provides an accessible complete improvement focused reference

## **Mill and Factory**

1953

issues for jan 1935 contain a directory of heating piping and air conditioning equipment

## ***Industrial Power***

1953

english abstracts from kholodil naia tekhnika

## ***Chain Store Age for Supermarket-grocery Executives. Grocery Executives Edition***

1973-04

a broad range of disciplines energy conservation and air quality issues construction and design and the manufacture of temperature sensitive products and materials is covered in this comprehensive handbook provide essential up to date hvac data codes standards and guidelines all conveniently located in one volume a definitive reference source on the design selection and operation of a c and refrigeration systems

## **Domestic Engineering**

1973

an accurate and complete sourcebook of hvac specifications providing all the vital information needed to prepare clear concise and accurate specifications for most classes of equipment details for installation and items usually included in a contractor s construction equipment related to insurance safety bond etc

## **Architectural Record**

1979

---

## **Sweet's Catalog File**

1996

## **Progressive Architecture**

1953

## **Power**

1973

## **Mill & Factory**

1945-10

## **ASHRAE Handbook & Product Directory**

1980

## **Sweet's Engineering & Retrofit, Mechanical, Electrical, Civil/structural Catalog File**

1992

## **Mechanical Estimating Guidebook for Building Construction**

1987

***Communication and the Technical Man***

1972

**ASHRAE Handbook**

1980

**Chemical Engineering Catalog**

1944

***Indoor Air Quality***

1995

**Specifying Engineer**

1983

**Sheet Metal Shop and Pattern Cutter's Magazine**

1954

**Chain Store Age**

1972

---

***Motion Picture Herald***

1971

**Energy Audits and Improvements for Commercial Buildings**

2016-03-18

**Heating, Piping, and Air Conditioning**

1977

**Heating, Air Conditioning, Sheet Metal Contractor**

1954

**New York Court of Appeals. Records and Briefs.**

1996-07

**Building Operating Management**

1977-04

**Volume Feeding Institutions**

1979

## **Industrial Equipment News**

1942
