few days before a hundred a listers fly in for a grand gala dinner could anything go wrong could marco write a labyrinth of astounding twists to leave all the world s top celebrities moments from an awful death will you be amazed by the ending you bet fast funny and utterly different welcome to the weird world of the awful truth

Thorns of Truth

1882

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1912 edition excerpt chapter xi to know and think the tbut to mentally live in the spiritual understanding of truth and to give constant expression in thought to the words of truth is to train the mind to know the truth in a larger and larger measure and to know the truth is to create and express true conditions throughout the entire personality a statement of truth is the absolute truth expressed in words that is the mental or verbal expression of a certain state of perfect and divine being therefore a statement of truth does not describe things as they are in the external but describes man as he is in the spirit and when the mind begins to think of man as he is in the spirit the perfect qualities of the spirit will be unfolded and brought out into the personal life the life of the spirit is the true life of man because man is a spiritual being the soul is the real man the mind and the body are merely instruments for this reason it is evident that when man thinks of himself he must necessarily think of himself as he is in the spirit the conditions of the body do not describe the divine state of the soul the soul is real absolute divine perfect complete created in the image of god while the personality is but a partial expression of the real in many respects incomplete and in a state of development when man thinks that the incomplete conditions of his personality constitute himself he is not thinking the truth about himself his thought is false and false thinking produces false or detrimental conditions in mind and body however when he thinks of himself as he is in the divine perfection of his being he is thinking the truth about himself his thought is the truth and the thinking of truth produces true or wholesome
