this book is an anthology of spoken narratives collected from male to female transgendered people who live on the island of o ahu in this book people who identify as mahu the local term for a transgendered person transsexual and or drag queen tell their stories and address the issues important in their lives they talk about gender identity and sexuality coming out to their families familial acceptance and rejection

going to school surviving on the streets transitioning to womanhood finding a romantic partner spirituality and religion hawaiian culture growing old and much more the transgender communities on o ahu are extensive and rich with diversity nevertheless the general public typically views transgendered people in one dimensional stereotypical terms often as prostitutes or sexual deviants this collection will increase the visibility of transgenderism and educate readers by giving transgendered people the opportunity to speak for themselves its contributors are of a variety of ages and backgrounds not only do the powerfully moving narratives in o au no keia reveal what it is like to be transgendered they also illuminate what this means in the unique cultural context of hawai i on the one hand this state has the reputation of being extremely accepting of those who are transgendered as well as of those who are gay and lesbian indeed it is reported that transgenderism and bisexuality were accepted in traditional hawaiian society on the other hand much of hawai i s population is devoutly christian and the gay marriage bill was decisively defeated in 1999 through their stories the contributors some of whom were born and raised here in hawai i and some of whom came to o ahu later in life reflect on the intersection between tolerant native hawaiian values and condemning western ones and how that has affected their lives in a place many outsiders consider paradise
