Lady of the Roses 2008-01-02 during her short time as a ward in queen marguerite s lancastrian court fifteen year old isobel has had many suitors ask for her hand but the spirited beauty is blind to all but yorkist sir john neville it is nothing short of a miracle when the queen allows isobel s marriage to the enemy albeit at a hefty price all around isobel and john rages a lawless war it is only their passion that can see them through the bloody siege of london by the duke of york the violent madness of queen marguerite and the devolution of isobel s meek uncle into the butcher of england for theirs is an everlasting love that fears not the scratch of thorns from either the red rose or the white

**Wars of the Roses: Bloodline** 2015-09-24 the third beautifully written novel in the war of the roses series by bestselling author conn iggulden superbly plotted and paced the times winter 1461 richard duke of york is dead his ambitions in ruins his head spiked on the walls of the city king henry vi is still held prisoner his lancastrian queen rides south with an army of victorious northerners accompanied by painted warriors from the scottish highlands with the death of york margaret and her army seem unstoppable yet in killing the father margaret has unleashed the sons edward of march now duke of york proclaims himself england s rightful king factions form and tear apart as snow falls through blood and treason through broken men and vengeful women brother shall confront brother king shall face king two men can always claim a crown only one can keep it praise for the wars of the roses series pacy and juicy and packed with action sunday times energetic competent stuff iggulden knows his material and his audience independent a novel that seamlessly combines narrative historical credence and great knowledge of the period daily express a page turning thriller mail on sunday

**The War of the Roses** 1991 the author of the new york times bestseller the plantagenets and the templars chronicles the next chapter in british history the historical backdrop for game of thrones the inspiration for the channel 5 series britain s bloody crown the crown of england changed hands five times over the course of the fifteenth century as two branches of the plantagenet dynasty fought to the death for the right to rule in this riveting follow up to the plantagenets celebrated historian dan jones describes how the longest reigning british royal family tore itself apart until it was finally replaced by the tudors some of the greatest heroes and villains of history were thrown together in these turbulent times from joan of arc to henry v whose victory at agincourt marked the high point of the medieval monarchy and richard iii who murdered his own nephews in a desperate bid to secure his stolen crown this was a period when headstrong queens and consorts seized power and bent men to their will with vivid descriptions of the battles of towton and bosworth where the last plantagenet king was slain this dramatic narrative history revels in bedlam and intrigue it also offers a long overdue corrective to tudor propoganda dismantling their self serving account of what they called the wars of the roses

**The Wars of the Roses** 2014-10-14 capturing the violence and romance of medieval life iggulden makes real those grand characters who live in the collective memory a page turner sure to have readers eager for the next in the series kirkus the first book in 1 new york times bestselling author conn iggulden s brilliant new historical series about two families who plunged england into a devastating decades long civil war in 1437 the lancaster king henry vi ascends the throne of england after years of semi peaceful regency  
the wars of the roses a  
concise history

named the lamb henry is famed more for his gentle and pious nature than his father's famous battlefield exploits already his dependence on his closest men has stirred whispers of weakness at court a secret truce negotiated with france to trade british territories for a royal bride margaret of anjou sparks revolts across english territory the rival royal line the house of york sees the chaos brought on by henry's weakness and with it not only opportunity in the monarch but also their patriotic duty in ousting an ineffectual king as storm clouds gather over england king henry and his supporters find themselves besieged abroad and at home who or what can save the kingdom before it is too late

Wars of the Roses: Stormbird 2014-07-08 this is a new interpretation of english politics during the extended period beginning with the majority of henry vi in c 1437 up to the accession of henry vii in 1509 the later fifteenth century in england is a somewhat baffling and apparently incoherent period which historians and history students have found consistently difficult to handle the large scale revisionism inspired by the classic work of k b mcfarlane led to the first real work on politics both national and local but has left the period in a disjointed state much material has been unearthed but without any real sense of direction or coherence this book places the events of the century within a clearly delineated framework of constitutional structures practices and expectations in an attempt to show the meaning of the apparently frenetic and purposeless political events which occurred within that framework and which sometimes breached it at the same time it takes cognisance of all the work that has been done on the period including recent and innovative work on henry vi

**The Wars of the Roses** 1997-11-13 in 1860s new york an abandoned baby girl is found by four boys and they adopt her in time the boys start a ranch in montana and she grows up to be a beautiful woman one day there arrives at the ranch a handsome scottish lawyer looking for an english lord's daughter kidnaped two decades earlier by the author of prince charming

For the Roses 1996-02 a new assessment of the battle for the english throne all readers interested in late medieval history will appreciate this library journal the wars of the roses 1455-85 were a major turning point in english history but the underlying causes for the successive upheavals have been hotly contested by historians ever since in this original and stimulating new synthesis distinguished historian michael hicks examines the difficult economic military and financial crises and explains for the first time the real reasons why the conflicts between the house of lancaster and the house of york began why they kept recurring and why eventually they ceased alongside fresh assessments of key personalities hicks sheds new light on the significance of the involvement of the people in politics the intervention of foreign powers in english affairs and a fifteenth century credit crunch combining a meticulous dissection of competing dynamics with a clear account of the course of events this is a definitive and indispensable history of a compelling complex period

**The Wars of the Roses** 2010-10-26 reproduction of the original in the wars of the roses by evelyn everett green

*In the Wars of the Roses* 2019-09-25 the wars of the roses which tore apart the ruling plantagenet family in fifteenth century england was truly a domestic drama as fraught and intimate as any family feud before or since but as acclaimed historian sarah gristwood reveals while the events of this

turbulent time are usually described in terms of the men who fought and died seeking the throne a handful of powerful women would prove just as decisive as their kinfolks clashing armies a richly drawn absorbing epic blood sisters reveals how women helped to end the wars of the roses paving the way for the tudor age and the creation of modern england

**Blood Sisters** 2014-03-04 oliver and barbara rose thought they had a perfect marriage only to discover their marriage was skin deep this story was made into a major motion picture with michael douglas and kathleen turner

The War of the Roses 1991 first published in 1990 the second half of the fifteenth century was one of the most turbulent periods of english history present popular knowledge of the bitter struggle for the throne between the rival houses of york and lancaster derives largely from shakespeare s history plays which in their turn were coloured by tudor propaganda and most books on the wars of the roses have concentrated on politics and personalities discussion of military matters has hitherto been chiefly confined to colourful and sometimes fanciful accounts of the major battles on which accurate information is scanty the present work is a military history of the wars of the roses in the first part is presented an overall view of the campaigns from the first skirmishes of 1452 to the last campaign in 1497 and examines the general ship of the commanders in both camps in the second covering military organisation how armies were recruited paid fed billeted armed and deployed the author shows that in a period of rapid change in european methods of warfare the english were not so old fashioned as has sometimes been supposed in conclusion he assesses the effects of the wars on society in general the book makes extensive use of fifteenth century sources both english and continental including chronicles civic records and letters and presents a vivid picture of the wars as they were seen and described by contemporaries

The War of the Roses 2004 if richard iii had not charged to his death at bosworth how different might the history of britain have been beginning in 1453 and ending in 1487 the red rose and the white provides a gripping overview of the bitter dynastic struggle for supremacy that raged between the houses of york and lancaster for thirty years culminating in the dramatic events on bosworth field in 1485 as well as offering a comprehensive account of the campaigns battles and sieges of the conflict the book also assesses the commanders and men involved and considers the weapons and tactics employed photographs maps and portraits of the principal characters help to bring the period to life whilst the fast paced narrative conveys a sense of what it was actually like to fight in battles such as towton or tewkesbury the effect of the arrow storm and the grim realities of hand to hand combat with edged and bladed weapons skilfully weaving in political and social events to place the conflict in its context the red rose and the white is a fascinating exploration of the turbulent period that would change the course of british history forever

**The Wars of the Roses** 2017-09-25 the brilliant retelling of the wars of the roses continues with margaret of anjou the second gripping novel in the new series from historical fiction master conn iggulden as traitors advance a queen defends it is 1454 and for more than a year king henry vi has remained all but exiled in windsor castle struck down by his illness his eyes vacant his mind blank his fiercely loyal wife and queen margaret of anjou safeguards her husband s interests hoping that her son edward will one day come to know

his father with each month that henry is all but absent as king richard the duke of york protector of the realm extends his influence throughout the kingdom a trinity of nobles york and salisbury and warwick are a formidable trio and together they seek to break the support of those who would raise their colors and their armies in the name of henry and his queen but when the king unexpectedly recovers his senses and returns to london to reclaim his throne the balance of power is once again thrown into turmoil the clash of the houses of lancaster and york may be the beginning of a war that could tear england apart following stormbird margaret of anjou is the second epic installment in master storyteller conn iggulden s new wars of the roses series fans of the game of thrones and the tudors series will be gripped from the word go

**The Red Rose and the White** 2014-01-14 during the fifteenth century england was split in a bloody conflict between the houses of york and lancaster over who should claim the crown the civil wars consumed the whole nation in a series of battles that eventually saw the tudor dynasty take power in a brief history of the wars of the roses desmond seward tells the story of this complex and dangerous period of history through the lives of five men and women who experienced the conflict first hand in a gripping narrative the personal trials of the principal characters interweave with the major events and personalities of one of the most significant turning points in british history

*Wars of the Roses: Margaret of Anjou* 2016-06-14 the classic story of a nasty divorce this is the book that inspired one of the most famous movies about divorce ever produced the movie is shown somewhere in the world every week and the book has been translated in almost every language on the planet war of the roses tells the story of oliver and barbara rose who thought they had a perfect marriage only to discover that their relationship was barely skin deep the war they wage against each other eventually descends into brutality and madness as they destroy each others most prized possessions and spiral into chaos the global impact of both the book and the movie has brought the phrase the war of the roses into the accepted jargon describing the terrible hatred and cruelty engendered in divorce proceedings

*A Brief History of the Wars of the Roses* 2013-02-07 the civil wars of the second half of the fifteenth century still stand in the popular imagination as the period of greatest anarchy in english history this accessible introduction offers an overview of the debates surrounding the character causes impact and consequences of the wars thematically organised the text also reviews the historiography of the years 1459 1487 thoroughly revised and updated in the light of twenty first century scholarship the third edition of this established text includes a new chapter focused on the character of the wars significant new material on the engagement of ordinary people in the politics of the period additional sections on the involvement of and impact on women the wars of the roses is ideal for students and general readers seeking a reliable and balanced introduction to the topic

The War of the Roses 2001-04 it is a proverbial truth that thunderstorms clear the air and it would seem as though that eventful and terrible period of english history known as the wars of the roses had cleared the political air for the coming reformation how little those who took part in it realised the time to follow to the men of that day it was either a wrestle for personal fame or a passionate enthusiasm for the establishment of right to

the women with whom it was not the latter it must have been a meaningless agony a passion with no visible end and with no conceivable moral purpose alas for him who loses his faith in the providence of god for the key of the world has dropped out of his hand and happy are they who can calmly walk on in the dark by the side of the father it may be feeling the atmosphere painfully oppressive yet willing to wait his time and knowing that when they come forth into the light of the golden city they will be satisfied with it

**The Wars of the Roses** 2013-04-26 frequently remembered only as a period of military history which both saw the french beat the english and then the english fight amongst themselves traditional historians have tended to regard the wars of the roses as an episode that wrecked england s military greatness john gillingham s highly readable history separates the myth from the reality he argues that paradoxically the wars of the roses demonstrate how peaceful england in fact was from the accession of the infant henry vi to the thrones of england and france in 1422 to the accession of henry vii following the battle of bosworth in 1485 gillingham uses his gift for graphic description particularly with his exciting account of the 1471 campaign to great effect he is also good at placing the warfare within its european context especially in showing the problems encountered in conducting a civil war within a normally peaceful country the wars of the roses is an irresistible account of a fascinating period of history that makes available to a much wider audience the work of historians of recent decades praise for john gillingham incisively written and highly readable sunday times john gillingham is emeritus professor of medieval history at the london school of economics and political science on 19 july 2007 he was elected into the fellowship of the british academy he is renowned as an expert on the angevin empire his other titles include oliver cromwell portrait of a soldier

**Red and White: A Tale of the Wars of the Roses** 2014-02-05 four months after the explosion at the garden a place where young women known as the butterflies were kept captive fbi agents brandon eddison victor hanoverian and mercedes ramirez are still entrenched in the aftermath helping survivors in the process of adjusting to life on the outside with winter coming to an end the butterflies have longer warmer days of healing ahead but for the agents the impending thaw means one gruesome thing a chilling guarantee that somewhere in the country another young woman will turn up dead in a church with her throat slit and her body surrounded by flowers priya sravasti s sister fell victim to the killer years ago now she and her mother move every few months hoping for a new beginning but when she ends up in the madman s crosshairs the hunt takes on new urgency only with priya s help can the killer be found but will her desperate hope for closure compel her to put her very life on the line provided by publisher

The Wars of the Roses 2018-09-25 each of these lavishly illustrated books serves up a brief and manageable portion of the fraser edited and much touted lives of the kings and queens of england a set of six jewels for fraser s crown

**The Roses of May** 2017 england 1470 a kingdom divided against itself cannot stand the yorkist king edward iv is driven out of england his wife and children forced to seek sanctuary from the house of lancaster yet rage and humiliation prick edward back to greatness he lands at raven spur with a half drowned army and his brother richard at his side though every hand is against them though every city gate is shut they have come home the brothers york

will not go quietly into banishment instead they choose to attack yet neither edward nor richard realize that the true enemy of york has yet to reveal himself far away henry tudor has become a man he is the red dragon the man of destiny who seeks to end the wars of the roses his claim will carry him to bosworth field there will be silence and the mourning of queens there will be self sacrifice and terrible betrayals two royal princes will be put to death there will be an ending and a new royal house will stand over them all praise for conn iggulden s wars of the roses series a tough pacy chronicle of bloody encounters betrayals and cruelties superb daily mail iggulden is a master storyteller and makes our blood flow faster sunday express iggulden breathes new life into the darkest and most dramatic of times with a flair for both the huge scale and human interest of it all star pacy and juicy and packed with action sunday times iggulden is in a class of his own when it comes to epic historical fiction daily mirror absorbing and bloody the times one of our finest historical novelists daily express

*The Wars of the Roses* 2000 traces the thirty five year struggle between the houses of york and lancaster for the british throne

*War of the Roses: Ravenspur* 2017-02-28 the wars of the roses covers the period that begins with the accession of henry iv the first lancastrian king in 1399 and ends with the battle of bosworth in 1485 while the principle of hereditary monarchy had been established in the middle ages henry s claim to the crown was to bedevil the rule of england for nearly 100 years anthony cheetham not only brings to life the politics of succession and the ensuing war he also creates a strong sense of the strengths weaknesses and convictions of the monarchs from the guilt ridden henry iv whose reign was beset by enormous troubles yet who nonetheless passed his kingdom intact to edward iv to richard iii most argued over of english kings and the last to die in battle their striking biographies are interwoven with the significant political and religious events of the period to create a succinct thorough and entertaining volume

*Blood-red the Roses* 1971 indisputably the most effective general of the wars of the roses edward iv died in his bed undefeated in battle yet edward has not achieved the martial reputation of other warrior kings such as henry v perhaps because he fought battles against his own people in a civil war it has also been suggested that he lacked the personal discipline expected of a truly great commander but as david santiuste shows in this perceptive and highly readable new study edward was a formidable military leader whose strengths and subtlety have not been fully recognized this reassessment of edward s military role and of the wars of the roses in which he played such a vital part gives a fascinating insight into edward the man as well as the politics and fighting based on contemporary sources and the latest scholarly research edward iv and the wars of the roses brings to life an extraordinary period of english history

*The Wars of the Roses* 1995 during her short time as a ward in queen marguerite s lancastrian court fifteen year old isobel has had many suitors ask for her hand but the spirited beauty is blind to all but yorkist sir john neville it is nothing short of a miracle when the queen allows isobel s marriage to the enemy albeit at a hefty price all around isobel and john rages a lawless war it is only their passion that can see them through the bloody siege of london by the duke of york the violent madness of queen marguerite and the devolution of isobel s meek uncle into the butcher of

england for theirs is an everlasting love that fears not the scratch of thorns from either the red rose or the white

**The Loves of the Roses** 1836 lancaster and york for much of the fifteenth century these two families were locked in battle for control of the english throne kings were murdered and deposed armies marched on london old noble names were ruined while rising dynasties seized power and lands the war between the royal houses of lancaster and york the most complex in english history profoundly altered the course of the monarchy alison weir one of the foremost authorities on british history brings brilliantly to life both the war itself and the larger the life figures who fought it on the great stage of england the wars of the roses is history at its very best swift and compelling rich in character pageantry and drama and vivid in its re creation of an astonishing period of history

*Edward IV and the Wars of the Roses* 2011 the wars of the roses c 1455 1487 are renowned as an infamously savage and tangled slice of english history a bloody thirty year struggle between the dynastic houses of lancaster and york they embraced localised vendetta such as the bitter northern feud between the percies and nevilles as well as the formal clash of royalist and rebel armies at st albans ludford bridge mortimer s cross towton tewkesbury and finally bosworth when the usurping yorkist king richard iii was crushed by henry tudor powerful personalities dominate the period the charismatic and enigmatic richard iii immortalized by shakespeare the slippery warwick the kingmaker who finally over reached ambition to be cut down at the battle of barnet and guileful women like elizabeth woodville and margaret of anjou who for a time ruled the kingdom in her husband s stead david grummitt places the violent events of this complex time in the wider context of fifteenth century kingship and the development of english political culture never losing sight of the traumatic impact of war on the lives of those who either fought in or were touched by battle this captivating new history will make compelling reading for students of the late medieval period and tudor england as well as for general readers

Battles of the Wars of the Roses 2022-11-30 the wars of the roses is one of the most dramatic and fascinating periods in medieval history much has been written about the leading personalities bitter dynastic rivalries political intrigues and the rapid change of fortune on the battlefields of england and wales however there is one aspect that has been often overlooked the role of castles in the conflict dan spencer s original study traces their use from the outbreak of civil war in the reign of henry vi in the 1450s to the triumph of henry vii some thirty years later using a wide range of narrative architectural financial and administrative sources he sheds new light on the place of castles within the conflict demonstrating their importance as strategic and logistical centres bases for marshalling troops and as fortresses dan spencer s book provides a fascinating contribution to the literature on the wars of the roses and to the study of siege warfare in the middle ages

Lady of the Roses 2008-01-02 here for the first time in a single volume is the full account of all seventeen battles of the wars of the roses with an emphasis on the strategy and tactics employed illustrated with a selection of newly commissioned and contemporary illustrations

**The Wars of the Roses** 1996-06-25 it is a proverbial truth that thunderstorms clear the air and it would seem as though that eventful and terrible period
