Supernatural 2015-11-10

dr michael s heiser presents fifteen years of research on what the bible really says about the unseen world of the supernatural unfiltered by tradition or by theological presuppositions who were the sons of god who were the nephilim where do angels fit into the supernatural hierarchy what relation does jesus bear to the rest of the supernatural world heiser tackles these questions and many more as he shines a light on the ancient context of scripture after reading this book you may never read your bible the same way again in supernatural heiser takes the core message from his recent best seller the unseen realm and presents it for the person in the pew he offers the same approach to reading and understanding scripture but without all the extra footnotes and supporting information needed for the scholarly treatment we can't believe what we don't understand in supernatural michael heiser helps us to do both it may open your eyes to the scripture in a new way john ortberg author of if you want to walk on water you've got to get out of the boat

The Unseen Realm 2015-09-01

in the unseen realm dr michael heiser examines the ancient context of scripture explaining how its supernatural worldview can help us grow in our understanding of god he illuminates intriguing and amazing passages of the bible that have been hiding in plain sight you'll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for god's word why wasn't eve surprised when the serpent spoke to her how did descendants of the nephilim survive the flood why did jacob fuse yahweh and his angel together in his prayer who are the assembly of divine beings that god presides over in what way do those beings participate in god's decisions why do peter and jude promote belief in imprisoned spirits why does paul describe evil spirits in terms of geographical rulership who are the glorious ones that even angels dare not rebuke after reading this book you may never read your bible the same way again endorsements there is a world referred to in the scripture that is quite unseen but also quite present and active michael heiser's the unseen realm seeks to unmask this world heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of scripture the book is clear and well done treating many ideas and themes that often go unseen themselves with this book such themes will no longer be neglected so read it and discover a new realm for reflection about what scripture teaches darrell l bock executive director for cultural engagement

senior research professor of new testament studies howard g hendricks center for christian leadership and cultural engagement how was it possible that i had never seen that before dr heiser s survey of the complex reality of the supernatural world as the scriptures portray it covers a subject that is strangely sidestepped no one is going to agree with everything in his book but the subject deserves careful study and so does this book john goldingay david allan hubbard professor of old testament school of theology fuller theological seminary this is a big book in the best sense of the term it is big in its scope and in its depth of analysis michael heiser is a scholar who knows scripture intimately in its ancient cultural context all scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the old and new testaments particularly as their eyes are opened to the bible s unseen world tremper longman iii robert h gundry professor of biblical studies westmont college

The Bible Unfiltered 2017

in the bible unfiltered michael heiser an expert in the ancient near east and author of best seller the unseen realm explores unusual and misunderstood parts of the bible and offers insights that will inform and surprise you on every page

The Facade 2007-11

what does the bible really tell us about the heavenly host everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right we all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren t based on anything from the bible if you read luke 1 26 38 and imagine the angel gabriel standing before mary with neatly folded white wings you re not getting that picture from anything the bible itself says what the bible really says about angels is overlooked or filtered through popular myths this book was written to help change that it s a book about the loyal members of god s heavenly host and while most people associate them with the word angel that s just one of many terms the bible uses for supernatural beings in the unseen realm michael heiser opened the eyes of thousands to seeing the bible through the supernatural worldview of the ancient world it was written in in his latest book angels dr heiser reveals what the bible really says about god s supernatural

servants heiser focuses on loyal holy heavenly beings because the bible has a lot more to say about them than most people suspect most people presume all there is to know about angels is what has been passed on in christian tradition but in reality that tradition is quite incomplete and often inaccurate angels is not guided by traditions stories speculations or myths about angels heiser s study is grounded in the terms the bible itself uses to describe members of god s heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient near eastern world the bible s view on heavenly beings begins with old testament terms but then moves into literature from the second temple period jewish writings from around the 5th century bc to the 1st century ad this literature from the time between the old testament and the new testament influenced the new testament writers in significant ways with that important background established the book focuses on what the new testament tells us about god s holy ones finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for christians today

the bible is filled with passages that are so baffling we tend to ignore them yet the passages that seem weird might be the most important this collection of essays from bible study magazine will shock you intrigue you and completely change the way you view the bible dr michael s heiser visits some of the bible s most obscure passages unveiling their ancient context to help you interpret them today read this book and you ll never be bored by the bible again part one old testament the ancient s guide to the galaxy walk like an israelite even the bible needed upgrading spellchecking the bible why circumcision the abandoned child and the basket case a tale of courage we never teach counting the ten commandments is there really a sin offering there s a devil in the details love potion numbers 5 is my bible right the most horrific bible story righting a wrong when giants walked the earth the divine arrow promise undelivered sanctified dirt 1003 bc census who authorized it god or satan cookin the books slaying the sea monster does god need a co signer the witness in the clouds who wrote the book of proverbs immanuel s mother virgin or not standing in the council jeremiah double vision why the ark of the covenant will never be found he him me myself and i bizarre visions for the worst of times do the dead sea scrolls answer the canon question part two new testament burying hell my guardian angel the new testament misquotes the old testament i saw satan fall like lightning when the healing serpent who took verse 4 out of my bible what walking on water really means born again and again and again dumbledore meets

2020 center for biblical studies finalist for biblical theology the truth about demons is far stranger and even more fascinating than what s commonly believed are demons real are they red creatures with goatees holding pitchforks and sitting on people s shoulders while whispering bad things did a third of the angels really rebel with satan are demons and principalities and powers just terms for the same entities or are they different members of the kingdom of darkness is the world a chaotic mess because of what happened in eden or is there more to the story of evil what people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today and this ancient worldview is missing from most attempts to treat the topic in demons michael heiser debunks popular presuppositions about the very real powers of darkness rather than traditions stories speculations or myths demons is grounded in what ancient people of both the old and new testament eras believed about evil spiritual forces and in what the bible actually says you ll come away with a sound biblical understanding of demons supernatural rebellion evil spirits and spiritual warfare

Brief Insights on Mastering Bible Study 2018-05-01

reversing hermon is a groundbreaking work it unveils what most in the modern church have never heard regarding how the story of the sin of the watchers in 1 enoch 6 16 helped frame the mission of jesus the messiah jews of the first century expected the messiah to reverse the impact of the watchers transgression for jews of jesus day the watchers were part of the explanation for why the world was so profoundly depraved the messiah would not just revoke the claim of satan on human souls and estrangement from god solving the predicament of the fall he would also not only bring the nations back into relationship with the true god by defeating the principalities and powers that governed them jews also believed that the messiah would rescue humanity from self destruction the catalyst for which was the sin of the watchers and the influence of what they had taught humankind the role of enoch s retelling of genesis 6 1 4 in how new testament writers wrote of jesus and the cross has been largely lost to a modern audience reversing hermon rectifies that situation topics include how the ancient mesopotamian story of the apkallu aligns with gen 6 1 4 was preserved in 1 enoch and sets the stage for the theme of reversing the evil of the watchers how the theme of reversing the transgression of the watchers colors the gospel accounts of the birth of jesus his genealogy and his ministry how the writings of peter and paul allude to the sin of the watchers and present jesus as overturning the disastrous effects of their sins against humanity how the descriptions of the antichrist the end times day of the lord and the final judgment connect to genesis 6 and the nephilim though every topic addressed in reversing hermon can be found in scholarly academic literature reversing hermon is the first book to gather this information and
