making disciples is at the core of christian living in what is usually termed the great commission jesus commands the 12 and arguably many more who were his disciples to go into all the world and make disciples of every nation in our study of scriptures we have found out that this call and commission is not peculiar to the 12 it actually predates even the incarnation of christ himself this book will be an additional material that is not only expressive but also exegetical and practical for all christian ministries who are in this art of discipling men for christ in our combined years of ministry as a local church in pastoring and planting churches in places we have found out a few things in practical experience which highlight the theology of scripture this we bring to bear in the way these truths are being presented we trust that local churches ministries and pastors who are involved in the vision and commission that jesus gave to the 12 and the body of christ will find this material very useful to the nations one person at a time joel c rosenberg

from the time of the gutenbergs bible christianity has walked on
literate feet and has directly or indirectly required literacy of
others however two thirds of all people in the world are oral
communicatorsthose who cant dont or wont learn through literate means
four billion in our world are at risk of a christless eternity unless
literate christians make significant changes in evangelism
discipleship leader training and church planting making disciples of
oral learners means using communication forms that are familiar within
the culture stories proverbs drama songs chants and poetry literate
approaches rely on lists outlines word studies apologetics and
theological jargon these literate methods are largely ineffective
among two thirds of the worlds peoples of necessity making disciples
of oral learners depends on communicating gods word with varied

teachable men and women who want to grow in the lord just as jesus had a strategy for making disciples and developing leaders so should we having a vision for making disciples means understanding the lord s purposes in spending most of his ministry time with just twelve men jesus disciples received the full explanation of his teachings and the benefit of personal friendship with him because this is still the lord s heart for those who believe in him we who are his true disciples must be willing to invest in others as jesus did we need to see that it is god s normal for us to intentionally make disciples since jesus modeled it commanded it and trained his men to do it strategic disciple making is still the lord s ordained method for building the church and preparing ministries the lord wants to have an equipped army ready to reap the harvest and conserve it as he again sends revival throughout the world in the face of the persecution that will accompany the revival it is disciplined believers who will remain faithful and endure to the end therefore it is expedient that people not only find jesus as their messiah but also that they yield to his lordship mature into his likeness as his disciple and invest their lives in discipling others our master s last words should be our first priority in all four gospels jesus commands his followers to evangelize and make disciples as their chief ministry among men this is evidenced in the significance of the net used to catch fish in the sea of galilee in israel the net had a twofold purpose to catch the fish and to keep them in the boat catching the fish is equivalent to evangelism and salvation and keeping them in the boat is equivalent to discipleship and sanctification notice the last words of jesus before he ascended back to heaven as recorded in the gospels go and make disciples of all the nations matt 28 19 go into all the world and preach the gospel to every creature mark 16 15 repentance and remission of sins should be preached in his name to all nations luke 24 47 to peter and to those of us who love him he says feed my lambs tend my sheep feed my sheep john 21 15 17 reuven and yanit ross are international bible teachers american born they have lived in israel and south africa over the last three decades and have had the additional privilege of ministering in numerous other nations the rosses have no natural children they love the spiritual children that god has allowed them to invest in many of whom are leaders today they have authored six other books which are described on their website making disciples net

from different pulpits from around the world over media networks and

nations as jesus christ instructed us during his last command to the
disciples until the last thirteen years that this insight came to me
in my visible encounter with the lord jesus christ on 22nd of april
2006 you will find the story on the encounter in the introductory part

The Great Opportunity 2023-06-15

we have learned that the first couple months in the life of a new
believer is critical they are hungry they are alive they want to grow
they are also in a unique position to share their story with their
friends it is your job to help them grow as a follower of christ but
most christians have never made a disciple if you are like most
christians you don t even know where to start after all the bible is a
big book what do you teach first how do you equip them to follow jesus
on their own follow a handbook for making disciples of jesus christ
helps you know where to start you can read the book and walk a new
believer through the content or you can have them read it and discuss
it later the book includes discussion questions to help train rather
than merely teach a disciple a fundamental premise to this book is
that everyone can make disciples you don t need to be a pastor and you
don t need years of training all you need is to know jesus and allow
the holy spirit to lead you as you lead others to follow jesus as you
make disciples commission them to make disciples as well if you can
make disciples who make disciples there is no limit to the advancement
of god s kingdom think multiplication not merely growth

disciple to disciple book and study guide is actually the third in an ^{rosenberg}
informal series of teachings on the kingdom the first in the series is
this gospel of the kingdom the book and study guide describe the
foundational teachings of jesus christ concerning the kingdom of god
the second book and study guide in the series is called kingdom
discipleship kingdom discipleship defines the six terms of
discipleship that jesus said all who would be his disciple must meet
in order to be his disciple only disciples make disciples and in this
part of the series on the kingdom of god we will set aside some time
to learn how jesus the master teacher taught his disciples disciple to
disciple is an in depth study guide on how jesus taught his disciples
it can be used with or without the book to help us understand how
jesus taught his disciples so that we can be more effective in how we
teach others to be like christ if we teach others to become faithful
disciples of jesus christ then we will do more than teach them to be
mere imitations of their master but will teach them to be like jesus
in every way when disciples make disciples all will be transformed by
the master and so the process of making disciples who are like jesus
in character and conduct will continue with each new generation of
believers

the twenty first century church has the same holy spirit power and many more modern day resources than the first century church yet the first century church had greater success in making disciples why they followed the plan jesus gave them and he blessed it but the more worldly progress we ve made the more we ve deviated from jesus s plan by choosing programs entertainment and socials with only surface level encounters we neglect to make a connection with the lost and they see no real commitment from the church so they come and go as we continue to meet and plan more programs to end the cycle we must go and make disciples as jesus taught investing our lives in the lives of others do you long to live the great commission and make disciples but you re not sure how in be a disciple make a disciple ellie littleton offers biblical examples and concepts that break down the hard work of discipleship into sixteen thought provoking lessons so go and make disciples this is to my father s glory that you bear much fruit showing yourselves to be my disciples john 15 8 niv as the lord s earthly ministry got under way he began by making disciples and never stopped until he ascended into heaven had the disciples not followed his example we would not be disciples of jesus today as ellie s pastor i ve seen her live out the principles she teaches in this book i highly recommend this book to all christians so we can all follow jesus s command to make disciples rev david warren south shelby baptist church shelby alabama
