Educating for Unemployment 1982

the story of the rescue and eventual release from behind the iron curtain of laszlo toth a u s citizen who while on a visit to his home town of vrbas yugoslavia in 1975 was arrested and imprisoned by the yugoslav state security for spying as a cia agent his ensuing struggle for freedom involved such key figures as president gerald ford and foreign secretary henry kissinger and led to one of the lowest points in relations between the american and yugoslav governments since world war ii

Italy from Crisis to Crisis 2017-12-01

italy from crisis to crisis seeks to understand italy s approach to crises by studying the country in regional international and comparative context without assuming that the country is abnormal or unusually crisis prone the authors treat italy as an example from which other countries might learn the book integrates the analysis of domestic politics and foreign policy including italy s approach to military interventions energy security economic relations with the european union eu and to the nato alliance and covers a number of issues that normally receive little attention in studies of high politics such as information policy national identity immigration youth unemployment and family relations finally it puts italy in a comparative perspective with other european states naturally but also with latin america and even the united states all countries that have experienced similar crises to italy s and similar often populist responses this text will be of key interest to scholars and students of and courses on italian politics and history european politics and more broadly comparative politics and democracy

Speaking Out and Silencing 2017-07-05

commonly referred to collectively as the anni di piombo years of lead the 1970s have been seen as a parenthesis in italian history which was dominated by political violence and terrorism the seventeen essays in this wide ranging collection adopt different scholarly perspectives to challenge this monolithic view and uncover the complexity of the decade exploring its many facets and re assessing political conflict the volume brings to the fore the ruptures of the period through an examination of literature film gender relations party politics and political participation social structures and identities this more balanced assessment of the period allows the vibrancy and dynamism of new social and cultural movements to emerge the long lasting effects of this period on italian culture and society and its crucial legacy to the present are lucidly revealed dispelling the widely held belief that the 1970s were largely a regressive decade with the contributions anna cento bull adalgisa giorgio the 1970s through the looking glasspiero ignazi italy in the 1970s between self expression and organicismpaola di cori listening and silencing italian feminists in the 1970s between autocoscienza and terrorismamalia signorelli women in italy in the 1970slesley caldwell is the political personal fathers and sons in bertolucci s tragedia di un uomo ridicolo and amelio s colpire al cuorejennifer burns a leaden silence writers responses to the anni di piomboadalgisa giorgio from little girls to bad girls women s writing and experimentalism in the 1970s and 1990senrico palandri the difficulty of a historical perspective on the 1970smark donovan the radicals an ambiguous contribution to political innovationcarl levy intellectual unemployment and political radicalism in italy 1968 1982roberto bartali the red brigades and the moro kidnapping secrets and liestom behan allende berlinguer pinochet and dario fophilip cooke a riconquistare la rossa primavera the neo resistance of the 1970sclaudia bernardi collective memory and childhood narratives rewriting the 1970s in the 1990svaleria pizzini gambetta becoming visible did the emancipation of women reach the sicilian mafia davide pero

Twentieth Century Italy 2014-09-25

following a historically chronological approach and with a clear focus on the marked regional diversity characterising italy this volume analyses the impact of social economic cultural and political transformation on the lives of italians it assesses their living standards their health and education their working conditions and their leisure activities the final part of the book examines contemporary italian society in the light of the political and moral crisis of the early 1990s

Mussolini's Italy 2007-01-30

with mussolini s italy r j b bosworth the foremost scholar on the subject writing in english vividly brings to life the period in which italians participated in one of the twentieth century s most notorious political experiments il duce s fascists were the original totalitarians espousing a cult of violence and obedience that inspired many other dictatorships hitler s first among them but as bosworth reveals many italians resisted its ideology finding ways ingenious and varied to keep fascism from taking hold as deeply as it did in germany a sweeping chronicle of struggle in terrible times this is the definitive account of italy s darkest hour

Italy 2009

exploring more than 500 years of the country s history italy provides readers interested in modern italy or european history with a greater understanding of italy s past from the renaissance to the present this guide presents the milestones in italy s history in an interesting and readable way

A Concise History of Italy 2014

a comprehensively updated new edition of christopher duggan s acclaimed introduction to the history of italy

Society and the Professions in Italy, 1860-1914 **2002-06-20**

the first social and cultural study of the principal free professions in italy between 1860 and 1914

Women in Twentieth-Century Italy 2009-12-07

over the course of the 20th century the rapid transformation of italy from an impoverished predominantly agricultural nation to one of the strongest economies in the world forged a fascinating and contradictory society where gender relations were a particular mix of modernity and tradition in this accessible and innovative study perry willson provides a nuanced and insightful analysis of the impact of social political economic and cultural developments on italian women s lives she also explores how women were affected by and how they themselves helped shape key historical events such as the rise of fascism the 2 world wars the economic miracle of the post war years and the cultural and political upheavals of the 1970s women in twentieth century italy is the first book length overview of italian women s experience during this period of intense and dramatic change drawing on the latest historiography in the field and written in a lively and engaging manner it is essential reading for anyone with an interest in italy s recent past

Aristocrats in Bourgeois Italy 2002-08-08

this book provides a full account of the italian nobility in the post unification era it challenges interpretations which have stressed the rapid fusion of old and new elites in italy and the marginality of the nobility after 1861 and instead highlights the continuing economic strength social power and political influence of italy s most prominent regional aristocracy in piedmont the nobles were able to develop more indirect forms of influence to satisfy their hunger for leadership based on something older than constitutions or electoral politics they remained a largely separate group within local society distinguished by their attachment to the values of lineage military service landownership and social exclusivity this aristocratic exclusivity and influence survived the agricultural depression of the nineteenth century before succumbing finally to the devastating effects of world war i

Fascist Italy and Nazi Germany 1996-03-28

a collection of essays comparing key aspects of nazi germany and fascist italy

The Italian welfare state in a European perspective 2016-06-01

there is a need to understand the italian welfare state but as yet it has received little academic research attention the italian welfare state in a european perspective is the first book to explore the evolution of italy s welfare state in the decades since the trente glorieuses 1945 75 it offers a rare overview and analysis of the italian situation based on an in depth study of the main social policy fields including education higher education and taxation policies a detailed analysis of the connection between policies and their outputs outcomes and a comparative perspective framing the italian case within the european context this is the first english language book to take a comparative look at the italian welfare state as a whole since the 2008 economic crisis it will be a valuable resource for academics and researchers as well as students

Anti-Southern Racism and Education in Post-War Italy

2023-02-24

this book investigates the racism against southern italian children attending north western primary schools between the 1950s and the 1970s turin serves as the main case study having become the third southern city after naples and palermo during the considered period far from being a new phenomenon racism against southern italians gained renewed prominence in the context of the post war mass internal migrations becoming one of the pillars of the process of nation rebuilding however in spite of its relevance it has not received the attention it deserves by drawing on a wide range of sources printed archival photographic and oral and situating itself at the intersection of the history of racism of education of psychiatry and of psychology the book aims to fill this gap and to add to the debate on the borders that nation states establish to control the access to power of the different groups inhabiting their territories its interdisciplinarity makes it suitable for students and researchers across a variety of subject areas

Mussolini and the Eclipse of Italian Fascism 2021-04-27

an incisive account of how mussolini pioneered populism in reaction to hitler s rise and thereby reinforced his role as a model for later authoritarian leaders on the tenth anniversary of his rise to power in 1932 benito mussolini 1883 1945 seemed to many the good dictator he was the first totalitarian and the first fascist in modern europe but a year later hitler s entrance onto the political stage signaled a german takeover of the fascist ideology in this definitive account eminent historian r j b bosworth charts mussolini s leadership in reaction to hitler bosworth shows how italy s decline in ideological pre eminence as well as in military and diplomatic power led mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma in his embittered efforts to bolster an increasingly hollow and ruthless regime it was mussolini rather than hitler who offered the model for all subsequent authoritarians

Exploring Social Inequality in the 21st Century 2018-10-19

in a world where the effects of inequality occupy an increasingly prominent place on the public agenda this book provides up to date and thorough analysis from the perspective of a group of researchers at the forefront of social stratification analysis exploring social inequality in the 21st century is a clear and critical overview of current debates about social inequality it includes new information tools and approaches to conceptualising and measuring social stratification and social class as well as informative case studies throughout the researchers describe the direct and indirect costs of social inequality divided into two parts conceptualising and measuring inequality and costs and consequences of inequality in the areas of education employment and global wealth it includes new findings about the growth of wealth inequality in the g20 countries and a detailed examination of tax policies designed to reduce inequality without affecting economic growth with substantial contributions to the analysis of inequalities in education and explanations of the processes and consequences of social and gender based exclusion this book is essential reading for anyone interested in understanding contemporary social inequality this book was originally published as a special issue of the journal contemporary social science

The Legacy of Mario Pieri in Geometry and Arithmetic

2007-12-05

this book is the first in a series of three volumes that comprehensively examine mario pieri s life mathematical work and influence the book introduces readers to pieri s career and his studies in foundations from both historical and modern viewpoints included in this volume are the first english translations along with analyses of two of his most important axiomatizations one in arithmetic and one in geometry the book combines an engaging exposition little known historical notes exhaustive references and an excellent index and yet the book requires no specialized experience in mathematical logic or the foundations of geometry

***Transnational Labour History* 2017-07-05**

there has been a growing recognition amongst scholars that labour historians need to look beyond national borders in order to place the history of the working classes into a much broader context than has hitherto been the case whilst studies focused on individual countries are essential it is only by comparing and contrasting the experiences across time and space that a true understanding of the subject can be attempted professor marcel van der linden has contributed much to the debate on cross border processes and comparisons this volume makes available in english a collection of twelve of his most important essays on the theme of transnational labour history previously published in a range of journals and volumes with two original contributions transnational labour history brings them together in a single convenient collection together with a new introduction this work will undoubtedly provide an invaluable resource for all students of european labour history

Education and the Second World War: Education in England During the Second World War 2011-12-08

this was the first book which globally surveyed the impact of the second world war on schooling it offers fascinating comparisons of the impact of total war both in terms of physical disruption and its effects on the ideology of schooling by analysing the effects on the education systems of each of the participant nations the contributors throw new light on the responses made in different parts of the globe to the challenge of world wide conflict

Mussolini 2014-03-04

in 1945 disguised in german greatcoat and helmet mussolini attempted to escape from the advancing allied armies unfortunately for him the convoy of which he was part was stopped by partisans and his features made so familiar by fascist propaganda gave him away within 24 hours he was executed by his captors joining those he sent early to their graves as an outcome of his tyranny at least one million people he was one of the tyrant killers who so scarred interwar europe but we cannot properly understand him or his regime by any simple equation with hitler or stalin like them his life began modestly in the provinces unlike them he maintained a traditional male family life including both wife and mistresses and sought in his way to be an intellectual he was cruel though not the cruellist his racism existed but never without the consistency and vigor that would have made him a good recruit for the ss he sought an empire but in the most part his was of the old fashioned costly nineteenth century variety not a racial or ideological imperium and self evidently italian society was not german or russian the particular patterns of that society shaped his dictatorship bosworth s mussolini allows us to come closer than ever

~~before to an appreciation of the life and actions of the man and of the political~~
world and society within which he operated with extraordinary skill and vividness
drawing on a huge range of sources this biography paints a picture of brutality and
failure yet one tempered with an understanding of mussolini as a human being not so
different from many of his contemporaries

1973

The European Way 2004

bringing together eight internationally known social historians from europe and
israel the book reveals the commonalities that link european societies together

Education and the Second World War 2012-05-16

this was the first book which globally surveyed the impact of the second world war
on schooling it offers fascinating comparisons of the impact of total war both in
terms of physical disruption and its effects on the ideology of schooling by
analysing the effects on the education systems of each of the participant nations
the contributors throw new light on the responses made in different parts of the
globe to the challenge of world wide conflict

A History of Fascism, 1914–1945 1996-01-01

a history of fascism is an invaluable sourcebook offering a rare combination of
detailed information and thoughtful analysis it is a masterpiece of comparative
history for the comparisons enhance our understanding of each part of the whole the
term fascist used so freely these days as a pejorative epithet that has nearly lost
its meaning is precisely defined carefully applied and skillfully explained the
analysis effectively restores the dimension of evil susan zuccotti the nation a
magisterial wholly accessible engaging study payne defines fascism as a form of
ultranationalism espousing a myth of national rebirth and marked by extreme elitism
mobilization of the masses exaltation of hierarchy and subordination oppression of
women and an embrace of violence and war as virtues publishers weekly

Education, Occupation and Social Origin 2016-04-29

questioning the assumption that education is the great social equalizer this book
takes a comparative approach to the social origin education destination triangle by
examining advantage in 14 different countries including case studies from europe
israel the usa russia and japan contributions from leading experts examine the
relation between family background education and occupational achievement over time
and across educational levels focusing on the relationship between individuals
social origins and their income and occupational outcomes providing new theoretical
insights this book eloquently analyzes a variety of barriers to social mobility
using concepts of compensatory and boosting advantage to explain the
intergenerational transmission of social inequality it refutes the notion of
contemporary societies as education based and meritocratic showing that in most of
the countries studied there is no sign of decreasing intergenerational association
despite the expansion of education with its multitude of pertinent case studies
education occupation and social origin will be of interest to academics and students
of social policy as well as those interested in social inequalities and their
evolution over time it will also be a useful reference for governmental policymakers
in the wake of the current economic crisis

Europe 1850-1914 2014-01-14

this innovative survey of european history from the middle of the nineteenth century to the outbreak of the first world war tells the story of an era of outward tranquillity that was also a period of economic growth social transformation political contention and scientific and artistic innovation during these years the foundations of our present urban industrial society were laid the five great powers vied in peaceful and violent fashion for dominance in europe and throughout the world and the darker forces that were to dominate the twentieth century violent nationalism totalitarianism racism ethnic cleansing began to make themselves felt jonathan sperber sets out developments in this period across the entire european continent from the atlantic to the urals from the baltic to the mediterranean to help students of european history grasp the main dynamics of the period he divides the book into three overlapping sections covering the periods from 1850 75 1871 95 and 1890 1914 in each period he identifies developments and tendencies that were common in varying degrees to the whole of europe while also pointing the unique qualities of specific regions and individual countries throughout his argument is supported by illustrative material tables charts case studies and other explanatory features and there is a detailed bibliography to help students to explore further in those areas that interest them

***Darkest Italy* 1999-08-19**

stereotypical representations of the mezzogiorno are a persistent feature of italian culture at all levels john dickie analyzes these stereotypes in the post unification period when the mezzogiorno was widely seen as barbaric violent or irrational an africa on the european continent

***The Civic Foundations of Fascism in Europe* 2019-01-15**

drawing on a gramscian theoretical perspective and developing a systematic comparative approach the civic foundations of fascism in europe challenges the received toquevillian consensus on authoritarianism by arguing that fascist regimes just like mass democracies depended on well organised rather than weak and atomised civil societies in making this argument the book focuses on three crucial cases of interwar authoritarianism italy spain and romania selected because they are all counterintuitive from the perspective of established explanations while usefully demonstrating the range of fascist outcomes in interwar europe civic foundations argues that in all three cases fascism emerged because of the rapid development of voluntary associations combined with weakly developed political parties among the dominant class thus creating a crisis of hegemony riley then traces the specific form that this crisis took depending on the form of civil society developed autonomous as in italy elite dominated as in spain or state dominated as in romania in the nineteenth century

Professions And The State 1991-05-22
